

AGESERE LIBERTY

Front-End Developer | WordPress & SEO Specialist

ageserelibrary@gmail.com | <https://www.linkedin.com/in/liberty-agesere/>

+2348105118330 | Lagos

PROFESSIONAL SUMMARY

Results-oriented Front-End Developer & WordPress SEO Specialist with strong expertise in building fast, scalable, and user-friendly websites. Skilled in frontend development (HTML, CSS, Bootstrap) and CMS/SEO optimization (WordPress, Rank Math, WP Rocket, Google Analytics) to create websites that not only look great but also rank well and drive engagement. Experienced in backend development with ASP.NET, C#, and MS SQL Server, supporting full-stack solutions when required. Adept at translating client needs into clean, functional code, improving site performance, and empowering non-technical users through training. Passionate about delivering digital solutions that enhance visibility, growth, and seamless user experiences for businesses, schools, and nonprofits.

CORE SKILLS

- Frontend Development: HTML5, CSS3, Bootstrap
- Backend: ASP.NET / .NET Core, C#, RESTful APIs
- CMS & SEO: WordPress Development, Rank Math, WP Rocket, Yoast, Technical SEO, Website Optimization
- Analytics & Performance: Google Analytics, SEO Audits, Site Speed Optimization
- Databases & Hosting: MS SQL Server, Website Hosting & Management
- Collaboration & Training: Client Training, Team Collaboration, Communication, Problem-Solving

PROFESSIONAL EXPERIENCE

Front-End & WordPress Developer | Feltpouch Technologies – Remote

Nov 2022 – Mar 2025

- Designed and developed responsive websites and applications using ASP.NET, SQL Server, HTML5, CSS, Bootstrap, and WordPress.
- Built and deployed multiple live websites across education, non-profit, and business sectors, enhancing client visibility, credibility, and user engagement.
- Improved website performance and SEO rankings, helping clients achieve 30–50% increase in web traffic after optimization.
- Delivered end-to-end solutions: frontend, backend, database integration, and hosting management.
- Trained 20+ non-technical staff and clients on managing CMS platforms, reducing dependency on external technical support.

IT Trainer & Operator | Jonpat Computer Biz – Warri, Nigeria
Jun2017- Jul 2020

- Trained 100+ students in computer fundamentals, web design basics, and IT literacy.
- Provided online services and technical support, achieving a 95%+ client satisfaction rate.
- Assisted with basic website projects and introduced learners to HTML and CSS fundamentals.
- Provided technical support and troubleshooting for computer systems, printers, and networking issues.
